Antari Lighting And Effects. Antari MB (Mobile) Series Antari continues to expand with the introduction of the new MB Series, a series of mobile fog machines designed to reliably function without the need of a direct AC power source. MB series machines are perfect for use in photography, film, theater, industrial testing and so much more.

Antari Lighting And Effects - djtimes.com

Antari continues its commitment to produce the most innovative and reliable snow effects on the market with the new SW-300. The SW-300 can blanket an extremely wide coverage area with an incredibly realistic snow effect all thanks to Antari's patented nozzle design. An electronic menu and control system make for easy operation and allow the output be adjusted from a fine snow flake to a heavy blizzard effect or anything in between.
