In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

Burden Proof Scott Turow Harper

This book is unlike the previous two Scott Turow novels that I have read - Presumed Innocent (a masterful legal thriller) and Ordinary Heroes (an outstanding book about one aspect of World War 2). Burden of Proof is much more of a slow-burn story - developing characters gradually and unfolding the storyline with one small revelation after another, like a jigsaw gradually building the whole picture of human complexity.
