Gravity by Melissa West is about Ari, a teenaged girl, who lives on an Earth that has been taken over by an alien race called Ancients. Every night, an Ancient goes into each human room and takes antibodies from them so they can co-exist on earth. There has been a treaty between species that allows this to happen.

## **West Book Reviews**

Gravity was one crazy ride. Melissa West took the everyday alien vs government story and turned it into something fresh and new. The characters were well fleshed out and the plot draws you in and leaves you guessing. Mind you Gravity is not for the feint at heart, it does have several scenes that would
