Description. The Helicopter Manual was added in version 1.1 and is used to successfully complete the Helicopter Escape route. Once picked up, a message will appear saying "You can now control a helicopter" along with a small Helicopter icon at the top right corner of the screen to remind you that you have picked it up, as when you do so, the Manual "disappears" and instantly gets stored within the Player most likely in their "inventory" or in their pocket, presumably.
