Karice Bolton's Cataclysm is such a book. Cataclysm is the aptly named conclusion to Ms. Bolton's supernatural adventure Watcher's trilogy. In the book we continue to follow fallen angels/white demons Ana, Athen, Arie and Cyril as prepare to lead their fellow white demon into the climatic battle against Azazel and his army of dark demons.

Essentially what it says in my title is what the watchers trilogy is all about. The battle between good vs evil in demon world. The characters created by Karice are unforgettable - Ana (the leader of the white demons) , Athen, Arie and Cyril are just a few of the many! the books are a real page turner and difficult to put down.
