Study Guide For Students With

Creating a study guide is one of the best ways to prepare for an exam and improve your test results. In fact, a study by Stanford researchers found that applying a strategic approach to studying helped college students improve their exam scores by an average of one-third of a letter grade. Your study guide is more than just a collection of your notes from class.

How to Create a Successful Study Guide

Study guides and strategies are most useful for students with special needs when they are interactive and given as part of an assignment. The easiest way to make your study guides interactive and to start assessing what students are understanding about a unit is to include areas where they are asked to fill-in-the-blank.

My name is Chris. I used the Secrets study guide for five days. The study guide made the test so easy to understand. Like you said this program is worth 100's of dollars. To me 1,000's!! THANKS, Chris G. I just had to thank you guys for the test prep! I bought the guide as a last minute prep, I mean maybe 5 hours before the test.
