The Referral Engine also encourages business owners to develop a strategic partner network (much like a 25 list that I advocate) of other businesses that serve the same ideal client and can give you referrals. "A happy customer might know three or four ideal referrals, but a large, indirect network partner may have the trust of several hundred."

Book Review: The Referral Engine - Touch Your Clients Heart

Jantsch, John. The Referral Engine (p. 3). Penguin Publishing Group. Kindle Edition. Now that we have an idea of what WOM is and a fun fact on the hypothalamus, we now enter the five realities of referrals. Reality #1: People make referrals because they need to. One of the key takeaways from reality #1 is that we rate and refer as a form of survival.
